

Hats

- Sun protection is an issue during the summer months and students are encouraged to wear hats any time they are in the yard, during Physical Education lessons, school excursions and during school activities that are outdoors
- Students are only to wear hats, beanies or other head-wear when they are outside. Staff will instruct students to remove these items when entering the learning environment

Make-up

It is recommended that students do not use make-up at school. Students who choose to wear make-up should ensure that it is not used excessively.

Jewellery

UNIFORM POLICY

The Seaford Secondary College Uniform Policy is an important part of our school safety program

Wearing the School Uniform

- Contributes to students' safety by providing clear identification of students in the school community
- Supports students to develop a sense of identity and pride with our school
- Reduces peer pressure and promotes equality.
- Reduces distractions to learning
- Increases students' sense of school pride
- Redirects personal expression to school work rather than personal appearance
- Lowers long-term clothing costs
- Promotes a standard of dress common to all in the learning environment
- Provides clothing for students that is practical and safe in all subjects studied

Students

All students are expected to be in full school uniform every day. The described Seaford Secondary College uniform is the only acceptable uniform.

All uniform items are to be purchased through Student Services. Black lace up school shoes can be purchased independently of the school. If you have any questions in relation to the school uniform, please don't hesitate to contact the school.

Students out of school uniform will be expected to change into appropriate loan uniform with the support of their House leaders. A plan will be implemented, in partnership with parents/care providers, to support students to be consistently in full school uniform.
